

Corporate Responsibility Policy

Meds & Food for Kids (MFK) commits to the highest level of corporate citizenship. MFK adheres to environmental policies that enable a safe, healthful workplace, protecting the environment, conserving energy and natural resources. MFK also adheres to social responsibility policies, which are rooted in service and integrity and entail treating all people with respect and dignity, thereby ensuring the wellbeing of both women and men on its workforce and within the community. Finally, MFK adheres to economic policies, which focus on providing career opportunities, resources and professional development to MFK's Haitian employees by transferring technical skills leading to enterprise responsibility and management in MFK. MFK strives to model the potential and possibility for economic development in Haiti by setting an example for other investors.

Details of the focus of MFK's Environmental, Social and Economic components of Corporate Responsibility are enumerated on the attached documents.
