SELEBRE KILTI

CELEBRATING HAITIAN CULTURE

THURSDAY, APRIL 23, 2026

Haiti is more than hunger.

Haiti has a powerful history, vibrant culture,
and strong communities.

Seleb्रे Kilti honors the resilient heritage of Haiti.

We believe in a future where every Haitian family can celebrate their culture without being overshadowed by hunger.

A future where children grow up healthy and safe,
where communities thrive instead of just survive.

Your sponsorship of Seleb्रे Kilti helps
Meds & Food for Kids build this future.

**With your support, we can save more lives, create more jobs,
and transform more futures in Haiti.**
